

Suriel Therapy Co. Sliding Scale Fee Policy

Suriel Therapy Co. is happy to offer a sliding scale fee for clients seeking mental health care that do not have insurance AND are experiencing financial hardship/limited income. A sliding scale fee is a discounted rate offered for services provided by Suriel Therapy Co. throughout the duration of the agreement. If you are interested in exploring a sliding scale fee, please contact Suriel Therapy Co. to discuss further using the contact form page or emailing admin@surieltherapyco.com directly.

You will be required to fill out a brief application outlining individual and household income. You will also be required to provide proof of income (W-2 or paystubs) for all adult people living in the home. If you are found to be eligible for sliding scale fee, an agreement will be completed outlining the fee. If there are any changes in your income, you are required to let Suriel Therapy Co. know, in writing, within 57 days of the change. Failure to do so can result in termination of the agreement and/or services with Suriel Therapy Co. The current 2025/2026 sliding scale fee rates are below.
